

Active360+R Chair

Collaborative chair with integrated armrests and storage

DESCRIPTION

The design of a learning space can act as a catalyst to promote collaboration and innovation. **Active360+R** chairs are a solution for active learning systems and steam environments. With Active360+R chair, users can quickly and effortlessly change the room's configuration and store backpacks and personal belongings in the base avoiding cluttered aisles. The seat bends and flexes with the user for better ergonomics and comfort improved by armrests included in the chair. The cup and tablet holders are precious add-ons for dynamic learning spaces.
