

reflecta Overhead-Projector

Portable Overhead-Projector

Our line of Overhead Projectors is the solution to meet your need and budget. It gives a sharp image with high lumens. Together with the safety features, the cooling system and the overheat protection put the life expectancy of the projectors to the maximum. The lamp changer feature makes sure your image is still being projected with the other lamp. Modern, compact and easy to handle overhead projector includes a transport chassis. *Ideal for Mobile Presentation !*
